THURSDAY, APRIL 25, 1861. Gov. Magoffin.-We like the Governe personally, and we would on uo uccount do his pjustice politically. If he is not at work i the cause of disunion, we are glad of it, and upon seeing suffleient evidence of the fact, w shall be most happy to state it to the public He says that a correspondence has passed be tween himself and the Governors of the adjoin ing nou-slavebolding States, he and they greeing to use their whole official and person al power and influence to keep perfect peace and amily between their respective States, and that the correspondence will soon be published

iscates everything eatable and drinkable to its We gave, in the Journal of vesterday w' h comments, a telegraphic despatch sent hy the Secretary of War of the Confederate States to troy. Manofin, requesting him to raise a regiment for service against the U. S. Government, G.v. M. says that the receipt of the lespatch astonished him as much as its appearance in our columns can have astonished the public, and that he requested a message to a furrow, though many have been plowed upon be telegraphed promptly back to Montgomer as neuneing his refusal to have anything to de with raising a regiment. We need not say that we make this statement with very sincer The Mushville papers of yesterday bring pattalia have cast the only seeds for the year's war. If we here, in Kentneky, are partially atessigence of the defection of John Bell tillage, and famine, desolation, empty garners, cut off from our accustomed trade with our

nd the Ewings. Less than a week ago the c centlemen united with other distinguished Tennesseeans in sending forth an Address to the people of Tennessee which was a close paraphrase of the Address of the Union State Central Committee of Kentucky. They solemn'y nunatural strife "to decline joining either par-1y," and called upon her to assume and maintain a position of armed We republished this appeal in the Journal of Monday. On Tuesday night, before our paper and brothers of Kentucky, who know not the laden with these just and noble sentiments bue terrors and bavoc of war, who think only of on its mission of loyalty and peace, John Bell ly and guarded in your interior positions, have and Edwin H. Ewing and Andrew Ewing, not felt the shock of former conflicts, nor had three of the principal signers of the appeal, declared before the excited brought to your very doors, would that we populace of Nashville in favor of immecrument and making common cause with the se- mult, carnage, and despair which attend the went so far as to provlaim his readiness to loved and fair ones, whom we honor as mothin ircb under Joff. Davis against the National ers, cherish as wives, and fondly nurture as lorions defection was never suffered by a sa- fire to trace before the eyes of your natural speakable mortification and disgust and indig- you, when they enter upon the mad cureer of nation in the breast of every true and enlight- war. They subject you to days of fear and

ened lover of his country. It is a burning nights of restless anxiety; to privations, to seandal to the cause of constitutional liberty. and calm in the midst of these distracted from Tang on the insults of foppish officers, to the warring States. Such is her monatur yet perils of the war ery when "booty and beauty" proud and glorious fatc. Let her be equal to rings from the voices of demons through your it. The path of action merked out for Ken- now peaceful streets; to the horrors of the sack | There is a military encampment near tucky by her honor, hy the interests of peace of cities and the pillage of private residences. Cincinnati, but it has no reference, as our and of constitutional government, by her own the flight with dishevelled hair and eyes start- neighbors of the Courier would have the pubby her history, y the counsels of the greatest grasp of dranken soldiers, who claim you as a Union which is at war with the Southern noclicut has given a Union gain of two member of her children living and dead, and by the the prize of war; te-but we draw the cur- Confederacy, and a good many of her citizens of Congress, while Rhode Island has ghriously high pure instincts of her people, is plain and tain. broad before ber. Let her tread it fearlessly When the safety or the honor of Kentucky a little out of Cincinnati is the rendezvous of to her State offices and to Congress and tranquilly, whoever falters or flies. Ken- shall be at stake, Kentuckians will not stop to the volunteers, and we are told that there are | The personal liberty bills of which the tneky can with safety and honor take no part | count the cost; they would be less than the five thousand there now, and that ten thous- | South complained have nearly all been repealed ator. Let her arm herself promptly, and play when both the safety and the honor of Ken- ont week, subject to the order of the U.S. the Union and under the Constitution, full and this part. If her efforts shall end in the arrest | tucky, so far from counselling war, demand | Government. Many have gone to Washingof hostilities and the re-establishment of the neutrality, surely, surely her prond sons will not ten, and the rest stand ready to obey in-Union, she will have covered herself all over in the mere wanton rlot of passion hurry ber structions. Any suggestion however that the for soven long years before They were willing to

fail, she may, then, in full view of the develop- here so faintly sketched. ments which attend that sad issue, and with the deliberateness and self-possession which befit a wise and hrave people, dispose of her be out of the Union in a few days.

Kentuckians, the organ of the secessionlsts tells you quite complacently that your State will be out of the Union in a few days.

Kentucky can be in remaining the control of the Secessionlsts tells you quite complacently that your State will be out of the Union in a few days.

Kentuckians, the organ of the secessionlsts tells you quite complacently that your State will for incendiary purposes.

Kentuckians, the organ of the secessionlsts tells you quite complacently that your State will for incendiary purposes.

Kentuckians, the organ of the secessionlsts tells you quite complacently that your State will for incendiary purposes. Confederacy must be immeasurably the gainer tionism has destroyed the Union; that the Government of the Union is subverted; that Ken by her efforts. Let them be judiciously but tucky is in no Union .- Courier. ness and without shrinking. This is our con- dismnionists now. We have read in their or- the worst that they can do to her. ientious and most earnest counsel. We give gans very elaborate articles in support of the it now, and we shall press it strenuously here- theory, that, just as soon as one State seceded ifter. If, however, Kentucky shall decide to from the Union and declared itself free and fight for our views of what the safety and the dently the Courier's theory. It is an absurd uthoritatively announces her own, when her knowledged ability and ingenuity cannot save views shall be ours. But we shall first strug- it from contempt. We do not suppose that

that, in Cincinnati, on Tuesday, a lot of bacon, marked as destined for Georgia, was sent down and Louisville mail line, to be brought to this sive of the action of the mob, declined reif they do ull of their own boats passing up game will be played on both sides all along the Ohio. Yes, they must know, that very son the whole commerce of the Ohio will in hat case be annihilated—that the river will in all our land would have dreamed that the hear no more freight upon its bosom than it

bore when it ran only through a trackless wilderness. The nation seems to have been stricken with jn lieial blindness. Will there not be an imbecome a Union again! mediate response to our suggestion that a Committee be appointed by our Mayor or Council to go to Cincinnati and Malison, &c., to concult with Committees from those cities for the maintenance of amity and the protection of

Mr. Buchanan's Administration, Col. English the Courier, because thu latter was a disunion. ist. We learn however that Mr. Haldeman still discharging all the functions of the office

we fond of being personally denounced. We holds up the idea that the Government will canvass, he was very promptly hissed down. | the address therein referred to having been preare told that Mr. R. C. Bowling, who, we invade Kentneky if she doesn't take np arms

United States Government. He sent a gentleman designated as his successors is attending to his own affairs just as he did before his nominul ejection, whilst the worthy gentleman designated as his successor is attending to his own affairs just as he did before his appointment. We mention this as a curious fact and not as one that we are disposed to complain of, for Mr. Haldeman is a clever gentleman and no doubt performs his assumption to the sample of the purchase who had the contract from him to make up the flannel into clothing after it should be brought here.

A Cincinnati merchant agreed to furnish the facts, took the flannel, but, on learning the facts, took the flannel, but, on learning the facts, took the flannel, but, on learning the facts, took the madness and animosity of the people. Just maddessed them for a short time, defending to his own peenniary interest. He didn't choose, a shelition or free soil excitoment. On the Lyh. Haldeman is a clever gentleman and no doubt performs his assumed duties faithfully—yet he is a disarcionist, nutrue, according to our views of things, and we presume according to his own, to the Constitution of the United States and laboring in fact for its annihilation.

Haldeman is a clever gentleman and no doubt performs his assumed duties faithfully—yet he is a disarcionist, nutrue, according to our views of things, and we presume according to his own, to the Constitution of the United States and laboring in fact for its annihilation.

Haldeman is a clever gentleman and no doubt performs his assumed duties faithfully—yet he is a disarcionist, nutrue, according to our views of things, and we presume according to his own, to the Constitution of the United States and laboring in fact for its annihilation.

Haldeman is a clever gentleman and no his own pecuniary interest. He didn't choose, for the sake of dollars, to aid and abet the advent to the sake of dollars, to aid and abet the instruction of the perilons times without prejudice and precipitancy. He was followed by Hon. Jos. R. Underwood and Hon. Henry Grider in that city, at which more than four thousand presonance of the disposition of Cincinnation was evinced to support the U.S. Government, but, when a Republican speaker rose and undertook to obtrude upon the meeting in that city, at which more than four thousand presonance of the disposition of feet to the first them the importance of calmily weighing the facts and events of the perilons times without prejudice and precipitancy. He was followed by Hon. Jos. R. Underwood and Hon. Henry Grider in that city, at which more than four thousand presonance of the disposition of the perilons times defended ing the position of Kentucky, and urging upon them the importance of calmily weighing the facts of the perilons times them the importance of calmily weighing the facts of the perilons times and events of the fundle weigh in the treatmendous Union of them the importance of calmily weight them the importance o
